

Mind Matters

A Support Group for Survivors and Caregivers of Brain Injury

This support group's mission is to provide education, emotional support, and community resources to survivors of brain injury as well as their families and caregivers. Each month will feature a different topic and/or guest speaker related to brain injury.

Starting on August 26, 2015, please join us on
the last Wednesday of every month at 7:00pm
in the Rehab Gym
